MEMORANDUM FOR: Deputy Director (Support)

50X1 SUBJECT : Proposed Recommendation on Organization
and Functions, [] and Revised
Organization Chart

I strongly object to the grouping of the Inspector General together with the Assistant for Coordination, Executive Officer and Cable Secretariat. I believe that the Inspector General should be in a separate box. This chart makes a farce out of the statements to the President's Board and to the President regarding responsibilities and authorities of the Inspector General and the relative role of that officer in the Agency.
